6. Oversubscription

In the event that the school is oversubscribed, the school will, when deciding on applications for admission, apply the following selection criteria in the order listed below to those applications that are received within the timeline for receipt of applications as set out in the school's annual admission notice:

1. All prospective school placements are assessed initially by the Daughters of Charity Admissions, Discharges and Transfers Committee (ADT). This is essential to ensure that the pupil applying for enrolment may be considered for the wider range of services including Clinical Support, possible Respite and Family Support Services. Pupils who apply directly to the school are re-directed to the ADT Committee by the Principal for the above reason. All available professional reports such as Psychiatric assessments, Psychological reports, Speech and Language reports, Social work reports, Occupational Therapy reports, Physiotherapy reports and Medical reports must be made available to the ADT Committee which is based at St. Vincent's Central Management Offices. All applications must be processed by ADT before the closing date 31/1/22.
2. Pupils must be 5 years of age on or by 1st September of the academic year in which they are applying. Pupils who have reached the age of 18 years on or before 31st August will be prepared for leaving the school.

3. All children applying for enrolment are assessed by a registered Psychologist in order to meet the criteria for enrolment. This report must state that the student is diagnosed with a Moderate Intellectual Disability. The NCSE requires that Psychological reports have been updated within two years.
4. The catchment area for St. Vincent's Special School is the Daughters of Charity designated area- catchment area 6 Dublin North West (formally LH06) (See map, Appendix 1). A pupil will only be considered for a school place if he/she lives within this designated catchment area.
5. There is a place available in an age appropriate class.
6. For admission to the Autism Classes, the child must meet the criteria under the Diagnostic Statistical Manual (V) or the child must be recommended by a Psychologist for placement in such a class. Priority is given to pupils currently enrolled within the school if movement to an autism specific class is required. Priority is also given to pupils currently enrolled within the school progressing from the junior to the senior autism class.
7. The child is already in receipt of Multi-Disciplinary Team services from within the catchment area.
8. The child can learn in a classroom environment with other children using an eclectic approach, suitable in the main body of the school or within the autism classes
9. The school environment can meet the needs of the pupil profile.
10. The school has relevant available resources to meet the particular needs of the child.
11. The profile of the proposed class group is appropriate to the needs of the child
12. Those who meet the criteria above will be prioritised for the waitlist.

The Board of Management of St. Vincent's Special School reserves the right to refuse to enrol a pupil in rare and exceptional circumstances. Based on information in professional reports and/or from previous schools/centres, the grounds for refusal on exceptional circumstances include:

- The pupil has special needs such that, even with additional resources available from the Department of Education and Skills, the school cannot meet such needs and / or provide the pupil with an appropriate education.
- The pupil poses an unacceptable risk to other pupils and may compromise their education.
- The pupil poses an unacceptable risk to school staff and / or school property.

When recognising the rights of the parents/guardians to enrol their child in the school of their choice, the Board of Management of St. Vincent's Special School has also a responsibility to respect the rights of the existing school community and in particular the pupils already enrolled. This requires balanced judgements, which are guided by the principles of natural justice and the best interests of all the pupils. In assessing such circumstance, the Board of Management, reserves the right to determine the maximum number of children in each class.

In the event that there are two or more students tied for a place or places in any of the selection criteria categories above (the number of applicants exceeds the number of remaining places), the following arrangements will apply:

In the event that there are two or more students tied for a place in any of the selection criteria categories above a draw will be made using random selection. Parents/guardians will be invited to attend this draw. If a parent/guardian is unable to attend they may nominate someone to attend in

their place. This draw will be overseen by an independent witness.
